Baltimore, MD 21230 | jessebski@gmail.com | 443-397-2706 | www.linkedin.com/in/jesse-baranowski-341511264

PROFESSIONAL SUMMARY

CompTIA Security+ certified Cybersecurity Management and Analytics graduate with hands-on experience in threat detection, NIST SP 800-171 compliance assessment, and security awareness. Proficient in SIEM monitoring, network security tools, and incident response fundamentals. Seeking a SOC Analyst role where I can apply technical skills and a strong security foundation to protect organizational assets.

EDUCATION

Virginia Tech, Pamplin College of Business

Bachelor of Science, Business Information Technology, Cybersecurity Management and Analytics. Dean's List: Fall 2022.

Blacksburg, VA
2025

EXPERIENCE

Assembler

Lexatys LLC

June 2024 – July 2026

Laurel, DE

- Collaborated with the company's IT team to assess a 100+ requirement NIST SP 800-171 framework, identifying 8 unmet controls and researching remediation solutions for stakeholder review.
- Applied precision and quality standards while operating tools and machinery to fulfill copper coil work orders.
- Conducted defect inspections on finished coils to uphold quality control standards.
- Recorded production data and maintained clean, organized equipment and workspaces.

PROJECTS

Virginia Tech Project Management Course <https://jessebski.wixsite.com/deca-digital-hub>

August 2025 – December 2025

Project Manager

- Led a team of 4 students in designing and delivering a fully functional website for a local high school DECA club, completing the project on time and receiving exclusively positive client feedback.
- Directed project planning, task delegation, and weekly progress tracking while coordinating requirements with the client to define goals and success metrics.
- Managed workflow using Agile Sprints and maintained documentation for milestones, scope changes, and stakeholder approvals.
- Trained club members on content management and site maintenance, transferring full ownership and operational control upon project completion.

Eagle Scout Project, Troop 151

Project Lead

- Raised \$1,430 by writing and distributing targeted donation letters to local supporters.
- Coordinated procurement of tools, materials, and building plans through troop and community networks.

CERTIFICATIONS

- CompTIA Security+ (SY0-701) | Earned: 2026
- Mastercard Cybersecurity Virtual Experience Program, Forage (March 2024): Identified and reported phishing threats and evaluated business units to implement targeted security training programs.
